

Quiet Mind was born from a desire to become fully immersed in what is a life long passion. A chance for Matt to really immerse himself in the world of wine making without the pressures of needing to conform to a style. To learn on the job, with friends and family and craft wines that define the way he likes to drink.

2020 'Anything Anything'

'Anything Anything' was the catch cry in our search for some alternative varieties that we really wanted to play with in 2020. We managed to secure 600kg (yes that was all) of Cinsault from one of our growers. We had every intention that this wine would end up being used as a portion for a blend we wanted to work on, however when we looked at the one lonely barrel we decided that it was just too pretty to be lost in a blend. We filled out the pallet with 5 litres of Shiraz and hand bottled the 'massive' 22 dozen.

TASTING NOTES

Bright aromatics of fresh berries, cinnamon, mint, blackberry and spice. This wine on tasting brought us all to the memory of after dinner mints. Red Jubes, plums, chocolate milk powder and allspice fill out the palate, with a really subtle tannin structure making this wine just all round fun juicy drinking.

Margaret River, Western Australia

Variety: 98.5% Cinsault, 1.5% Shiraz

Lovingly hand bottled & labelled

Winemaker: Matt Holden

Label artwork by Phoebe Duff

Inspired by Dramarama 'Anything Anything'

22 dozen + 24 Magnums made
